insulting offer which was % for one year. Most employees know with rising costs, etc. this won't cover it. The currefferois now 8% with a one-year extension of their contract. This bargaining round is a coalition of unions, and it appearmembers will agree to these parameters. She is ageful to President Clarkend his leadership team for their support and for signing the joint letter that the Council of Presidents signed. His leadership is not underestimated. The contract is not acceptabled the years' worth prep work for upcoming bargaining was for naught. The Cherishand Higher Education is still on the table. What will happen with the funds from the Fair Share Amendment? Dr. Torda asked Trustees to be the friend of BSU that we know you are. Do what you can do tailed to who you can talk to. This is the time to fight. (Full statement attached to materials)

AFSCME President, Jan@artwright, stated no one that works at BSU should be on food stamps. This increase will make a difference.

Chairperson MacCormack stated the Board recognizes the importance of faculty and staff and their work on behalf of the students at **BSU** help them succeedTrusteestoo, worry about a ongear contract as they realize all them and energy that invested bargaining.

Student Trustee Update

Trustee Kopellas spoke about the wealth of opportunities for students this coming spring. Thæturn of events, which are student planned, are appreciatedSeniors are excited to graduate. Lastly, they introduced the new student trustee, ZachAlleyn.

President's Report

President Clark thanked the union leadership for their advocacy and highlighted the importance of the collective unions standing together to make a difference.

The Governor's budget appears to favor public higher education. BSU's budget line is level funded, but they will keep advingator dollars. Meetings have been hewith the Governor, Lt. Governor speakers, etc.

Other updates:

- *The president of Cape Verde visited BSU
- *CommissionerOrtega was on campuseHalues BSU's leadership.
